WE HEAR YOU... WELCOME TO THE CUSTOMIZED COMMUNICATION CAMPAIGN

Email is the preferred method of communication for most of our members so we send e-blasts to deliver updates on Chamber news, events, volunteer opportunities and more. We understand that our members get bombarded with emails every day and *we only want to send messages that you want to read*. Please help us **customize our communication** by sharing what types of messages you are interested in receiving.

Check examples below and return this page with your application, or talk it over with Chamber staff to develop a custom communication plan that works best for your business.
